
hunley collection

Vesta's Hunley collection showcases hand-sculpted and hand-finished traditional finial designs by one of the United States' most accomplished artisans. Mix and match available finishes to create rich combinations and a lavish palette of colors for use in your room design. Each component in this product group commands attention and portrays the pinnacle in extravagant elegance.

COLLECTION NOTES:
Vesta makes the following bracket recommendations:
2"D - every 6-8 feet
2¼"D - every 6-8 feet
3"D - every 8-10 feet

For the purpose of quoting, we loosely figure 4 rings per foot - your drapery workroom can provide a more accurate quantity. Pole lengths exceeding 120" will incur significant additional freight charges. The collection's available pole splice can be used to achieve longer spans - the required center bracket will help conceal the resulting seam.

ABBREVIATION KEY:
D = diameter
H = height
L = length
P = projection
W = width
ID = inside diameter
OD = outside diameter

AVAILABLE FINISHES:
AG-B = antique gold, black base coat
