

## steel magnolias collection

Vesta's Steel Magnolias collection features skillfully machined geometric shapes. This ultra-contemporary hardware primarily uses stainless steel as its primary material but you can create even more visual intrigue through the use of the available brass and copper accents. All items are in-stock and available for immediate shipping.

### COLLECTION NOTES:

Vesta recommends additional brackets every 3-4 feet with this collection to properly support the weight of your treatment. For the purpose of quoting, we loosely figure 4 rings per foot - your drapery workroom can provide a more accurate quantity. Intended for shorter spans and light-weight treatments.

### ABBREVIATION KEY:

**D** = diameter  
**H** = height  
**L** = length  
**P** = projection  
**W** = width  
**ID** = inside diameter  
**OD** = outside diameter

### AVAILABLE FINISHES:
