WROUGHT IRON

Old World Spanish influences embrace modern touches in the new Wrought Iron Collection. Kirsch designers, in concert with interior designers from around the country, shaped this exciting collection that ranges from classic profiles to unmistakably modern motifs. Single and double brackets, holdbacks, rings, finials and a stoutly-made 1" rod dazzle in five finishes: Black, Rust, Iron Oxide, Iron Gold, and Antique Pewter. A striking expression that is both organic and sophisticated, the new Wrought Iron Collection can complement any interior design vision.
