

Vesta's Crystal Magic collection exudes the kind of high elegance that inspires awe. This product group is all about opulent finial designs featuring the eye-catching sparkle of French high-leaded crystal. All finials are precision hand-cut and available in a variety of shapes, rich colors and six finial-base finishes. Originally designed as newel post toppers, they may also be used as drapery finials when combined with our Hunley, Imperial Rome and Highland Timber collections.

#### COLLECTION NOTES:

Extra care must be taken when using as drapery finials due to the weight of the finials. Please be certain that the finials are firmly affixed to the rod you select in order to avoid personal injury and to protect your investment.

#### ABBREVIATION KEY:

**D** = diameter  
**H** = height  
**L** = length  
**P** = projection

## crystal magic collection

**581224** used with Hunley hardware

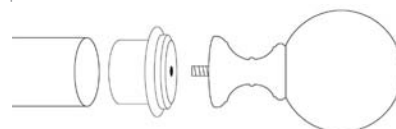

**581242G** used with Imperial Rome hardware

#### COMPONENT SPOTLIGHT

Featured below is this collection's finial adapter. To install, remove the concealed back plate from your Crystal Magic finial base and then thread onto the adapter. The adapter then slips into the tubing from our Imperial Rome collection. Some sort of metal adhering glue should be used to secure the adapter to the tubing.
