

Vesta's Window Treasures collection features decorative brass accessories for adding the finishing touch to any window treatment. This line offers the versatility of traditional and contemporary styling. All items are beautifully designed and available for immediate shipping.

COLLECTION NOTES:

Rosette kits include one each of specified rosette, long stem, headless screw, wall plate, stud screw and fixing hook. Customers can request that their kit include the shorter stem. For longer projections the short stem and long stem can be joined using an additional headless screw. Tiebacks should always be mounted into studs or other solid surfaces.
